RELIGION AND DOMESTIC VIOLENCE REPORT

The LCA NZ is calling for responses to the *Religion and domestic violence: Exploring men's perpetration report*.

The report, which was commissioned by the church in 2019 and released late last year, was funded by an Australian Research Council grant. It provides members of the church with an opportunity to receive and be guided by people's experiences of domestic and family violence. This includes those who suffer the 'violence of others, those who are the perpetrators of that violence and those who have opportunities to respond to that violence.

The LCA NZ now seeks informed responses to better understand and promote the report. These will guide ongoing strategies and actions to support people and congregations as they respond to experiences of domestic and family violence in their local settings. It is expected that responses will directly cite portions of the report, thereby avoiding generalisations.

The response document, which is available for download [here](#), is structured to guide respondents through the report. Respondents are not expected to provide a response to every section unless they choose to do so.

Responses close on 31 May 2024. All submissions will be treated confidentially and will be viewed only by the report response team. A report will be prepared for the General Church Board by the end of June 2024, with de-identified responses, and presented to the October 2024 LCA NZ Convention of General Synod.

Thank you for your continued support and donation towards pastoral care work in Barossa schools. Your donation will go a long way towards providing additional resources to support the great work that our Pastoral Care Workers (PCWs) undertake in Barossa Schools.

Under the new Federal Government funding just received, PCW positions are funded for approximately 8.5 hours per week which I am sure you will agree is not enough to provide support to students, staff, families and the community within our schools.

Currently our committee is supporting PCWs in Angaston, Nuriootpa, Truro, Williamstown, Greenock, Tanunda, Keyneton and Lyndoch Primary Schools and Nuriootpa High School.

Our committee together with your generous support provides funding for additional hours and resources for our PCWs and their schools to continue to provide high quality pastoral care to their school communities.

Once again, thank you for your support through prayer and continued donations.

Blessings,

Leeann Kruger
